

Flexibility you need for the AED program you deserve.

Cardiac Science Capital allows you to finance your entire Powerheart® G5 AED programme, including AEDs, training, and Rescue Ready® Services, for 1 to 5 years (12-60 months) with no down payment and affordable payment plans.

Our Cardiac Science Capital AED package includes:

- One (1) Powerheart G5 AED in either automatic or semi-automatic mode with optional Intellisense™ CPR Feedback

– Rescue Ready technology to ensure readiness, simple voice and text prompts with dual language option

– Powerheart Intellisense® lithium battery – with 4-year replacement guarantee

– Two (2) sets of adult defibrillation pads

– Nylon, rugged carrying case

– 8-year AED warranty

– Ready kit – CPR mask, non-latex gloves, razor, scissors, towel, and more!

– AED Manager event reporting software, a User Guide, and more!

– Optional Intellisense CPR Feedback provides rescuers with immediate voice prompts if their CPR compression rate and depth are outside the 2015 ERC/AHA-acceptable parameters

Note: You may add additional training, services, or accessories to your Cardiac Science Capital AED package for a small increase in monthly payments.

Speak with your AED Area Manager today to discuss how to utilise Cardiac Science Capital to fund your ideal AED programme and help save more lives.

WHY CHOOSE CARDIAC SCIENCE CAPITAL?

Save Lives

The Powerheart G5, the first FDA-cleared AED to offer a combination of automatic shock delivery, variable escalating energy, and rapid shock times, will provide your organisation with the confidence to respond to an SCA emergency.

Receive 100% Financing

Finance up to 100% of your entire AED program in affordable monthly or annual payments and fixed interest rates with no down payment.

Maximise Your Budget

Whether you are starting an AED programme or expanding your existing one, we provide the flexibility to spread out payments so you can manage your cash flow while preserving working capital.

Earn Tax Benefits

Using Cardiac Capital to finance an AED programme not only allows businesses to manage their capital expenditure, but also allows you to gain 100% tax relief. Contact your tax advisor to learn more.

Financial flexibility. A life-saving investment.
